9. You will get the deposit back when this agreement ends and you leave the property, as long as you have kept to all the agreements and conditions and you have paid all the rent and bills for the property. If you do not do so, we may take from your deposit:

- any rent, or other money you owe us which we have told you about and which is unpaid after the end of the tenancy;
- any unpaid utility bills (electricity, gas, water, phone) or similar sums or council tax for the property for which you are responsible;

This does not include any damage covered by our insurance policy (except for any insurance excess) or any damage resulting from our failure to carry out any repairs for which we are responsible. We will make allowance for the age and condition of any item as at the start of the tenancy.

If we cannot agree any of these amounts, the matter will be decided by the county court unless we can agree on some other way of sorting out the dispute.

This rate may apply before, as well as after, a court judgment has been made against you, depending on the terms of the court judgment.

14 We may keep keys to the property.

15 We may remove, store, sell or otherwise get rid of any furniture or goods which you refuse to remove or fail to remove from the property at the end of the tenancy. If you fail to do this within the period of notice given, we may then enter the property (after giving you at least 24 hours' notice, in writing) and carry out the work. You will have to pay us for the reasonable cost of this work.

6 Pay for all electricity, gas and phone, water and council tax bills relating to the property that apply during the tenancy.

7 Take reasonable precautions to prevent frost or similar damage to the property. If the property is going to be empty overnight or for more than 12 hours when the weather is likely to be cold, you must leave enough heating on to prevent the water system freezing, or turn off the water supply at the main stopcock and open all the other water taps and valves in the property to drain the tanks of hot and cold water.
